

To change your log in Email address

The email address that you would like to change is your online log in and Gateway can't delete it. This must be done by you the individual.

To change a user's InFellowship or Weblink ID name click on this link:

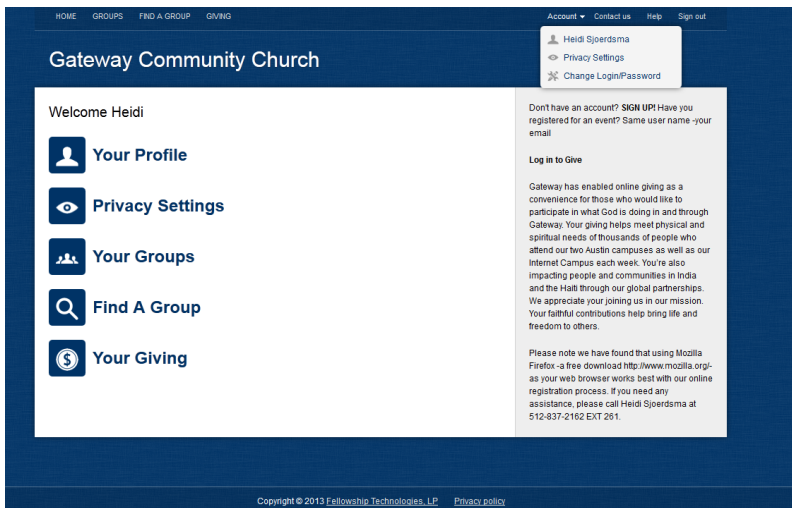

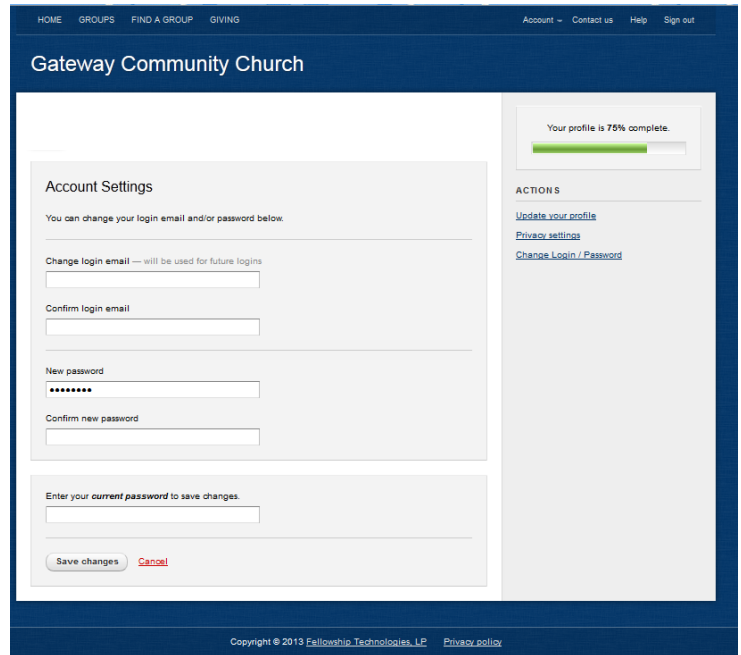

<https://gatewaycc.infellowship.com/people/accountsettings/edit>

Log in using your current/old credentials

It should bring you to this page

Fill out the new email etc. and confirm with your current password and you are done. Be sure to click on the save changes button

If for some reason or browser brings you to this window, click on Account on upper right and then click on Change Your Email/Password and it will bring you to the above window.
